Open to the community that surrounds it, Saint George's dares to be shaped by the Inner City, yet seeks to transform our neighbourhood by preaching, in Word and action, the Gospel of Jesus Christ. Come join us in worship, fellowship and outreach ministry.

## **Choir returns in September**

The Parish Choir is taking some well-deserved time off before things get underway again in September, and we thank them for the leadership they have given to our worship over the past year. We are blessed with a wonderful group of gifted and devoted choristers, who sing beautiful and demanding music to enhance our worship throughout the Church Year. We are very thankful to them and, of course, to our Music Director, Garth MacPhee, who rehearses and conducts the choir so carefully and sensitively and with such grace and good humour.

## **Music Director on Vacation**

Our Music Director is on a well-deserved vacation during the month of August. Thank you to our organ scholar, Gabriel O'Brien and tenors Jordan Gracie and Daniel Wheeler who will provide musical leadership on Sunday mornings during Garth's time away.

## Cemetery Wall Restoration Update

Work on the restoration of the upper part of the dry stone wall along Gerrish Street at the Little Dutch Church cemetery has begun! A crew of dry stone masons, architects, and archaeologists from Halifax and across the country arrived this weekend and will start work on Monday morning and will be working for the next two weeks. Parishioners are welcome to attend an informal presentation being given to the workers about the history of the church and the current life of the parish which takes place this Wednesday at 7:30 p.m. in the Round Church. A special thank you to Jacquie de Mestral who has laboured extensively over the past year to make this project happen.

## Summer Student

Whoops! We forgot to tell you that the parish hired a summer student this year with the support of a Canada Works grant. Emma Oliver joined us in July and has been spending her time conducting research about the Little Dutch Church and cemetery, including mapping the graves. Emma's research will help the workers doing the restoration of the cemetery wall this summer. Emma will also be on site while the restoration is taking place, to answer questions from our neighbours wondering about the work. Emma is also helping to organise our parish archive under the direction of Tracy Lenfesty. Welcome (albeit, belated), Emma!

## **Restoration of Windows in the Round Church Nave**

You may have noticed that some of the windows in the nave of the Round Church are being repaired. The project of restoring the nave windows began last year on the lower north side of the church and is now being continued on the lower south side. The vestry window damaged by vandals last winter is also being repaired. The work is being conducted by Parsons Heritage Works who are very familiar with our building. All of the windows have been inspected for needed maintenance to the sashes, storm windows, and boxes. As a result of this work, it will be possible for many of the windows to open once again, providing much needed ventilation during the hot summer months. We expect the work to continue well into September. The cost of the work will be approximately \$21,000, already budgeted from the 2022 property maintenance budget and the preservation fund. Maintenance work is anticipated to continue in 2023 on the upper south side nave windows.

## **Deck the Hall Update**

Recently Parish Council approved a plan to have some basic finish work done in the parish hall music room which should make the room available for use, while also allowing us the flexibility to easily make further modifications and upgrades to the space. That work will hopefully begin in the next few weeks. We have the funds on hand to pay for this next part of the project, but donations are always welcome by speaking with Al Wilson, our parish treasurer ([treasurer@roundchurch.ca](mailto:treasurer@roundchurch.ca)). Thank you to John-Mark Dawson for his leadership in this next phase of the music room project. Parish Council hopes to restart the overall renovation of the hall this autumn after the COVID hiatus. Those interested in joining the committee should speak with the Rector or wardens.
